Build Notes

papiNet Standard - Version 2.31

Global Standard for the Paper and Forest Products Supply Chain

Build V2R31_20100415
Date 2010-04-26

Production Release

Use of Documents in papiNet Implementations

Documents may be used as templates for a papiNet implementation. The Presenters grant the right to modify and edit them to fit an actual implementation project provided all copies display the copyright and any

other proprietary notices contained in this document. Such modified documents must not be distributed beyond the trading partners implementing or maintaining a papiNet connection.

Additional Copyright Information

Additional copyrights may be referenced throughout this document in the appropriate section.
